## ENROLMENT POLICY – TERMS AND CONDITIONS

A priority for enrolments is to ensure that Silkwood School creates a community that will both nurture and support the school ethos.

We seek enrolment of students from families who desire a developmental student-centred education for their children and who are able in their home life to support the ethos of the School. In this way we are looking to ensure that values and aims at home and at school are in harmony.

### PRINCIPLES

- Enrolment numbers of Silkwood School are determined by the School Facilitator.
- The School Facilitator reserves the right to offer or decline an offer of place.
- The School Facilitator reserves the right to offer placement in a year level appropriate to the individual student.
- Applications found to contain misleading information may deny successful completion of enrolment or the continued enrolment at Silkwood.
- Full and frank disclosure is required throughout the admission and enrolment procedure.
- Parental expectations need to be within the school's human and physical resourcing capacities.
- Acceptance of the enrolment application and any subsequent interview is not a guarantee of a place being offered at Silkwood.
- Silkwood is committed to a philosophy of working to develop strong ties between parent and school so as to enhance and maintain the long-term enrolment of individual students.

### PROCEDURE

- 6.1 Application for admission of a student can only be made on an official Enrolment Application form and accompanied by:
- a) non-refundable application fee of \$100;
  - b) copy of the prospective student's birth certificate, extract of birth entry or passport;
  - c) photo of the student – passport or similar size;
  - d) copies of last two years school reports or a Childcare, Kindergarten or Pre-Prep Report (Transition Statement);
  - e) national testing reports, ie. NAPLAN for 3, 5, 7;
  - f) school reference form completed by current teacher (if applicable);
  - g) current relevant medical reports/information – eg. allergies, asthma or diabetes (this is required for the purpose of enabling Silkwood School to assess how to meet any medical or health needs of the student);
  - h) other relevant allied health professional reports which may refer to social/emotional, behavioural or additional learning needs that are pertinent to the student, eg. speech, language, occupational therapy, psychologist, vision or audiologist – in some cases an updated report may be requested by the school (this is required for the purpose of enabling Silkwood School to assess how to meet any health or other needs of the student); and
  - i) if any court or parenting order exists pertaining to the guardianship arrangements for the student; this must be provided.

All of the above information/reports must be presented with the Enrolment Application form. The application will not be processed or assessed until all of the above information/reports have been provided (where applicable).

- 6.2 On receipt of a complete Application for Enrolment, the School will:
- a) Reply promptly with a letter acknowledging receipt of application.
  - b) Record the applicant on the school waiting list for the entry year and level indicated on the application form or the year level list that the School deems to be appropriate with regard to the child's age and/or educational level.
  - c) Process applications for future Prep intake two years prior to the intended year of entry and make offers of placement eighteen months prior to commencement.
  - d) If a vacancy arises throughout the year in any current year level, the Administrative Assistant will contact families on the waiting list to organise a formal interview with a Syndicate Leader and/or Class Teacher. Where possible, both parents are asked to accompany their child to this interview and the most recent school report must be provided.
  - e) If an offer of enrolment is made, parents and students are asked to complete all necessary documentation and amend any personal details which may have changed. Enrolments are finalised on receipt of payment of the Family Bond (\$800) or in the case of a sibling, an enrolment deposit on the first term's fees (\$400) by the specified date. If payment is not received by the due date, offer of enrolment will be withdrawn and the student will be removed from the waiting list.

- f) If you decide not to proceed with enrolment and terminate the Enrolment Contract, you must provide us with at least three months (one terms) notice in writing. If you do not provide us with one term's notice, the Family Bond and enrolment deposit fees will be forfeited. The School commits resources on the basis of confirmed enrolments and will most likely suffer loss from early termination. We may have difficulty filling the student's position at short notice. Special consideration may be given in some circumstances but this must be applied for in writing to the School's Management Committee.

6.3 In determining an offer of enrolment, the following factors shall be considered:

- a) class size/places available in the relevant year and class composition;
- b) siblings (of current students) and children of former students;
- c) children of Silkwood employees;
- d) the ability of the school to meet the child's needs;
- e) capacity to resource identified additional learning and/or support needs – where a student has been identified as having additional needs, an initial enrolment interview with parents may be requested and an assessment of the students' needs may be undertaken by the school or an independent body;
- f) how well the student's developmental phases have and will continue to be supported at home, eg the student's use of and access to electronic devices and media, diet, quality imaginative play opportunities;
- g) any history of aggression or pattern of behaviours disrespecting others;
- h) date of receipt of enrolment application; and
- i) the student and family's preparedness and ability to embrace the school's ethos.

Enrolment guidelines exist to maximise the opportunities for enrolment of students from families in financial hardship, families with special needs students, and students from families of other countries, ethnic backgrounds or cultures; with reference to the stewardship of resources.

The well-being of the class as a whole is given consideration in the enrolment process. As the school is small and age- based, each enrolment is considered for suitability to a particular class and social group. The school will determine how well the student would integrate with the remainder of the class to achieve a positive and supportive social group.

The school will not discriminate against students according to disability, race, gender or denomination.

6.4 Tours of the school and Parent Introductory Courses are conducted on advertised days as an early phase of the enrolment process.

6.5 Programs and subjects offered may vary from time to time.

6.6 Silkwood School – expectation of parents:

- a) Involvement and commitment in the school;
- b) Prompt payment of term fees by the specified date;
- c) Willingness to work through issues, when or if they arise, in an atmosphere of mutual respect;
- d) Willingness to obtain additional assessment/s if requested to assist in the student's future learning;
- e) Abide by the conditions as statement in the enrolment agreement and other school policies; and
- f) Agree to adhere to school's procedures, eg. students arriving at school on time.

6.7 Silkwood School – expectation of students to meet and respect:

- a) Attendance requirements (as governed by the Education General Provisions Act 1989 and other relevant Acts);
- b) Behavioural expectations;
- c) Educational expectations;
- d) Homework expectations (when applicable);
